DEDICATION

We, the Graduates of 1953, have many happy
 memories of our high school days at Marshall. That
 this is so is due in no small measure to our under-
 standing faculty. Our teachers, counselors, and
 principals, by their teaching, guidance, and encour-
 agement, have done their best to prepare us for our
 varied futures. We are proud to dedicate this
 Magazine of 1953 to all the members of the Mar-
 shall faculty who have given so willingly of their
 time and energy.

THE MAGISTRATE 1940-1953

This is the fourteenth and last edition of The Magistrate. For next year Marshall will again be a junior high school. We regret that the freshmen, sophomores, and juniors will not have the privilege of being graduated from this high school that we have really lived in these past four years, but our best wishes for their success and happiness will go with them wherever they may attend school next year.

The Magistrate made its initial bow in 1940 under the capable direction of Miss Judith Eiken. The spotlight that year was on two groups of graduates, a class of forty-five completing its high school course in February, and a class of one hundred thirty-two, graduating in June.

These first graduates had entered when Marshall was a junior high school and really grew up in and with the school. They developed a strong school spirit, a willingness to learn and to serve, and a devotion to our American way of life—ideals which students in succeeding years have always worked hard to attain.

Through these fourteen years The Magistrate Staffs have labored diligently to preserve the high school memories. The history of each year is written in The Magistrate. These years have been full ones and happy ones, too, for both faculty and students, and the Class of 1953 feels proud to have contributed its part.

THE MAGISTRATE 1953

One thought ran through the minds of the students on the Magistrate Staff as they fervently worked on the necessary preparations for the 1953 annual. The thought was that as this is Marshall's last year as a senior high school, the last Magistrate had to be the biggest and best that Marshall has ever seen. With this in mind, we combined our efforts to produce this piece of work.

It takes lots of hard work and considerable time to publish a yearbook. The Staff has given full cooperation, and we thank them for all that they have done. Our very special thanks to Mrs. McKenney for her direction of the art work, Miss Paschke for her business management, and Miss Merrick for her editorial supervision.

Here is The Magistrate. We hope you like it.

MR. THEODORE SALMON
Principal of Marshall High School

FOREWORD

The task of this final yearbook is greater this year than ever before. Besides congratulating our graduates of 1953 and wishing them Godspeed, we have the reluctant duty of saying goodbye to the rest of our senior high school students.

It is not pleasant to contemplate the loss of a group of students like our loyal senior high group. Marshall High School has become dear to them in the few years they have been with us. They have formed friendships and group loyalties that will never be broken. They leave with reluctance, vowing that there can never be another school like Marshall.

They have pledged themselves to make this final year a glorious one for the school—in athletics particularly. The loyalty and school spirit have mounted high and success in good measure has crowned their efforts. While the change to a new school will be painful at first, we hope that all this loyalty and enthusiasm can be successfully transferred and that happiness and satisfaction will be the final result.

It is fitting this year to honor and remember the two thousand and forty-six former students who have graduated from Marshall since that first graduating class of January, 1940. They have helped build the fine spirit and tradition that has distinguished this high school. They too have had a part in making the short history of Marshall High School a glorious one.

T. R. SALMON

ADMINISTRATION

Mr. Ernest Goulet, Assistant Principal, confers with our parents at various times for various reasons.

Mrs. Sally Haas, Office Clerk, and Mrs. Ruth Grotefend, Office Secretary, work diligently every day to keep the school machinery running smoothly. We're quite a trial to them at times, but they remain cheerful through it all.

Office Assistants: Ramona Seiler, Jeanne Garske, Audrey Dickerson, Virginia Abel, Janet LaBelle, Rita Gransberg, Callista Flaherty, Shirley Seebold, Patricia Morin, and Carol Merryman.

*Best wishes
Sally Haas*

IN MEMORIAM

NEIL R. BROWN

The news of Neil Brown's untimely death on December second came as a shock to all who had known him as a good friend and fellow teacher at Marshall.

Mr. Brown was one of the faculty when we opened the school in September, 1926. His years of service in the St. Paul schools were passed in this community. His roots were deep in this one place. His record is plain for all to see.

We came to know well the many fine qualities of this man who did his work with such efficiency that even sudden death found him with everything in order.

In the beginning years, we passed thru a cycle of heavy enrollments, classes of forty and more were common, and it was inevitable that more than the desirable maximum of three preparations be allotted to a few of the staff. Whenever a situation like this fell to the lot of Neil Brown, his comment was always "I'll do the best I can."

This in unaffected simplicity was the statement of his philosophy as he lived it. Every activity of a busy life bore the stamp of an honest concept of obligation to his profession, his home, and his fellow men.

HOMECOMING FESTIVITIES

QUEEN BEVERLY WEBER AND KING GLENN LEAF

Three thrilling events marked a never-to-be-forgotten Homecoming celebration: an assembly on October 8, a football game on October 9, and a dance on October 10.

With a Fall Festival for its theme and the stage appropriately set, the assembly proved to be most entertaining. Cowgirls and hillbillies were "a-singing and a-feuding." Then came the big moment: the crowning of Bev Weber and Glenn Leaf as king and queen of Homecoming by Jerry Dreier, Senior Class President.

The next evening Marshall students were all set for the big game. With the cries of ROPE MONROE filling the crisp autumn air, the Greyhounds romped down the field and won 24 to 12.

Finally came the big climax—the dance in our gym which was decorated with brilliantly colored leaves and clusters of balloons. We shall remember this Homecoming for many years to come.

SPEECH CLASSES PRESENT "YOUTH TAKES OVER"

RADIO WORKSHOP CLASS IN ROOM 308

Through the untiring efforts of Miss Mildred McGowan, the Speech Classes have again provided Marshall with another year full of fine entertainment. We have enjoyed their many well-conducted assemblies, their various broadcasts, and their annual play.

These students have participated in a disc jockey show, "Meet me at McGowans," and have appeared several times on The Golden Story Hour radio program for children from kindergarten through fourth grade. It is Miss McGowan's aim to use as many different students as possible in these broadcasts.

"Youth Takes Over," a delightful three act comedy, tells about teen-agers at George Washington High School. The play brings out their troubles in having a carnival. Tom Hayek as the troublesome Albert Williams, Bill Boardman as Swinbourne Jones, Alex Kadrie as Dr. Pierson, and Joel Rosenblum as Pop, all helped to make the play a success.

Our congratulations to Miss McGowan and the entire cast for a fine performance.

SEWING AND TYPING CLASSES

Mrs. Louise Bauers teaches a class in sewing in Room 102.

SEWING CLASS

The girls in the sewing classes selected their own materials and articles of wearing apparel to be made. On May 14, they modeled the finished products at a tea which they gave for their parents.

TYPING CLASS

The typewriters in Room 309 are busy all six periods of the day. Students work earnestly to build up speed and accuracy.

Mr. Julius Jorgenson and Miss Shirley Robeck supervise the work in typing in Room 309.

*Romona — or more properly Mrs. Jung
now — just a most sincere wish that all
of your hopes and plans for the future will
bring you much happiness and satisfaction;
J. Jorgenson*

JUNIOR ADVISER AND JUNIOR COUNCIL

The Junior Class, under the competent leadership of Miss Robeck, has shown promise of being one of the most energetic and ambitious classes of Marshall High School.

The class has sponsored a Sock Hop and has sold Marshall Greyhounds. Class President William Boardman, with the help of an eight-member council, two from each junior homeroom, worked faithfully to put over projects to obtain funds for the Junior-Senior Prom which took place on May Twenty-third in the Arizona Room of the Prom Ballroom.

The Marshall Juniors have proved that they will be an asset to whatever school they attend next year.

The best of everything for all of you.

MISS SHIRLEY ROBECK

Mr. Jorgenson put it as well, so may I just add my name to what he has so aptly expressed. Much happiness, Ramona.

THE STUDENT COUNCIL

Seated: Mary Ellen McMonigal, Claire Galstad, Treasurer; Beverly Kirk, Secretary; Jack Payette, President; Regina Williams, Vice-President; Margaret Murray.

Under the inspiring supervision of Mr. Rossini, the Student Council carried out a very successful program. With President Jack Payette and Vice-President Regina Williams calling the signals, the council reached new heights in interest and cooperation. The fine quality of competition and teamwork, which are a trademark at Marshall, were shown in the Freshman Orientation Day, the Sno-Flake Frolic, the Stardust Dance, the All-City Talent Assembly, and the publication of the Student Directory.

We students at Marshall realize and appreciate the tremendous sacrifices made and the responsibility shown by the members of the Council. This is the first year that a junior has been president, and we heartily congratulate Jack Payette on a splendid job.

THE SNO-FLAKE FROLIC

The Sno-Flake Frolic, which topped the list on the Student Council's program made a big hit with the students. Edward Gutzmann and Roberta Larson were crowned King and Queen of the Frolic by King Boreas Lee Runyon and Queen of Snows Beverly Prazak, at an assembly which preluded the afternoon activities at Como Park. Carrying their winter sports' equipment, the Marshallites boarded the bus which took them to an afternoon of skiing, skating, and tobogganing.

The events of the day were topped off with a Sno-Flake Ball in the evening, which was enjoyed by all. We gladly say this was one of the most exciting, enjoyable, colorful affairs of the year. As one junior student expressed it, "It was a fun-filled day."

The large project of the club is to buy a potter's wheel to present to the school. Paints and other supplies for the art classes have been provided by holding popcorn sales and giving dances. Every year the Tri-Arts direct a Spring Art Exhibit at the school and furnish medals for outstanding art students.

A Spring Banquet and numerous parties were held at the Y.M.C.A. and the Y.W.C.A.

PROJECTION FORCE

"There's a time for everything" and movie time always wins smiles of approval from our students. The boys on the projection force have, as usual, given us excellent service. Mrs. McKenney has surely done a fine job in training and supervising these operators.

The books are chosen to broaden both the student's knowledge and his interests. The pages help Miss Moroney change the displays to keep up with the new books, the current topics, and the seasons. We are proud of the library club and Miss Moroney for the contribution they have made to our school.

HISTORICAL SOCIETY (Bottom)

The Historical Society is one of Marshall's youngest organizations. Since its founding in 1951, Miss Judith Eiken has been its capable adviser. The purpose of this Society is to keep a permanent record of the faculty and all student activities. Throughout the year the members gather information about the faculty, the previous year's graduating class, class activities, and all the various school groups. These students perform a fine service for the school.

THE HOUNDS BOW OUT IN A BLAZE OF GLORY

Coach Rollie Moynagh added the last chapter, and then closed the book on his and Marshall's football career. The Hounds bowed out of high school football in a blaze of glory, ending up in second place in the conference, and winning the last five games in succession, the finale by a record 52-20 score.

Led by Dick Blakley, who is hailed as the greatest footballer in St. Paul prep history, the team ended just behind city and twin-city champ Johnson, posting a fine 6-win 2-loss record. Blakley ended a fabulous three-year career by being named to the All-City team for the second time. Jack Payette and Ronald Donovan were named to the All-City second team.

In the conference opener the Hounds just couldn't get moving and were rolled over by Harding 31-6. Blakley scored the only Marshall touchdown on a 72 yard gallop.

In the battle of the arch rivals, Marshall vanquished Central 12-7. Blakley and McCartan scored for the Hounds.

Johnson, City champs, just managed to squeeze by Marshall in what was one of the better games of the year. The final score was 13-6 with the winning touchdown scored in the last minute of play.

Wilson fell by the wayside in the first of Marshall's five straight victories 13-7. The Blakleys, Dick and Bob, did the scoring.

A Homecoming victory over Monroe was next for the red and grey. The final score was 24-12 with Dick Blakley devastating the Greenies with runs of 78 and 85 yards. Jack Payette also blitzed through for a 43 yard T. D. A Goldberg to McCartan pass netted the 4th touchdown.

Humboldt, the doormat of the conference for the past several seasons, couldn't halt Blakley as Dick ran wild, scoring all of Marshall's points in a 19-7 triumph.

The Hounds were hard-pressed in tripping Mechanics 14-6 in a game which saw Blakley injured and unable to play his best.

In the record-breaking finale Marshall crushed Washington, running up a total which hadn't been seen in a high school game in many years. The final score of 52-20 could have been higher had not several touchdowns been called back as a result of penalties. Blakley ran Washington crazy as he scored four touchdowns. The rest of the team got into the act with Bob Blakley, Jack Payette, Earl Goldberg, and Warren Nelson adding touchdowns to the cause.

Although it was the individual brilliance of Blakley that led the way to most of the victories, it was the rest of the team, including such standouts as linemen, Tom Winters, Jim Pardello, Fred Haas, Lanny Berke, Jerry Lenz, Gary Christiansen, Tom Hayek, Ron Donovan, Bob Trecartin, Warren Nelson, Wayne Nitti, and Dick Kennedy that paved the way for his smooth sailing.

Our hats are off to Mr. Moynagh for his fine job in leading the Hounds over the past fifteen years of Marshall High School football. Despite having some of the smallest teams in the city, he managed to lead us to 51 victories, 37 defeats, and 13 ties.

BASKETBALL

Marshall completed one of its most successful basketball seasons in its history this past year, when they ran through the conference schedule with a perfect 9-win 0-loss record and then won the district title. The overall season record was 19-3. To climax this all but perfect season, three Marshall players, Jerry Dreier, Dick Blakley and Stan Calof were honored with All-City selections. Later, Dreier and Calof also made the All-Regional team. The team as a whole had the top offensive and defensive records in the conference.

In non-conference activity Marshall traveled into Wisconsin, where three games netted two victories. Among the non-conference teams that met defeat at Marshall's hands were Cretin, Minneapolis Vocational, Lindstrom, Macalester Freshmen, St. Croix, Eau Claire, and New Prague (regional tournament). Menomonie administered the only non-conference defeat until the Twin City game, 66-54.

In the conference, Marshall first met Murray, and after a rather close game emerged a 44-39 victory. Dreier, Blakley, and Calof were top scorers with 15, 14, and 12 points respectively.

Next on the list was Johnson which fell 50-36. Blakley with 14 and Dreier with 13 were high men.

The first big game on the schedule against Washington, who along with Marshall was a pre-season favorite, went to the Greyhounds 51-36. Dreier hit for 28 to pace the victory.

Central couldn't stand up to the Hounds' marksmanship and fell by the wayside 52-36. Calof with 12 and Dreier and Blakley with 11 each paced the triumph.

In the next game the red and grey began rolling right from the start and piled up a 54-37 victory over Harding. Dreier hit for 18 and Blakley for 14 to pave the winning road.

Marshall started off slowly against last-place Humboldt, but found the range in time to post a 53-34 triumph. Dreier again led the scoring with 27 points.

Mechanics, rolling along on Marshall's heels in the Conference race, found that they were due to stay on the Hounds' heels as they dropped a close 51-44 decision to the boys in the red and grey. Dreier's 20 points and Blakley's and Gutzmann's 12 led the scoring for Marshall.

In the next encounter Marshall hit Wilson with everything but the referee as they coasted to an easy 53-23 victory. Dreier led the scoring with 23 points in a game which saw the Hounds' reserves out-scoring the Wilson First team.

Behind almost all the way, the Hounds came back to spill Monroe 53-42 in the conference windup. A fourth quarter drive which netted 20 points did the trick. Dreier, Calof and Blakley did most of the damage with 17, 14, and 12 points respectively.

In the battle for the twin-city championship, Marshall just couldn't find the range, as deadly shooting and tremendous height gave Minneapolis Roosevelt a 59-53 victory. With 17 points, Dreier led the Hounds' scoring.

In the district tournament the Hounds edged by Central 46-42; came from behind to whip Washington 53-45; and then exploded to trounce Mechanics 70-45.

As all good things must come to an end, the Hounds were edged out of the regional championship fight by Braham in a hotly contested, pressure-filled game 64-61. Dreier again topped the team's scoring with 25 points.

In the consolation finals Marshall bowed out as a high school team with a 61-53 triumph over New Prague. Dreier ended his high school basketball career with a 24 point barrage.

Three beautiful trophies adorn our case: the City Championship, District Championship, and Regional Consolation. It was a fitting finale for seniors J. Dreier, D. Blakley, S. Calof, E. Gutzmann, G. Leaf, M. Appelbaum, and J. Pardello to bow out with Marshall as a senior high school.

"B" BASKETBALL TEAM, APPARATUS, AND SWIMMING

"B" BASKETBALL TEAM

Row 1 : James Dixon, Dick Moen, Stan Clasen, Joe Rosenbaum.

Row 2: Floyd Smaller, Russell Krause, Jim Thorsen Joseph Nelson, John Dorsey, Farrell Green, Len Forcica, Mr. Hanner, Coach.

Although these boys did not win a championship, they made a good showing during the season.

APPARATUS

Tom Delmont, Terry Wilkinson, Steve Kissling, Dick Peterson, Gene Koutz, Jack Payette, Jim Roach, Owen Price, Reno Rossini, Coach.

The boys have been working hard and have shown great improvement over last year.

SWIMMING

Row 1: Dick Benson, Bill Stubstad, Tom Bayer.

Row 2: James Torrence, Warren Nelson, Sherm Rosenblum.

Marshall's mermen of 1952-53 finished their season with a fine 6-win 2-loss 1-tie record in dual meet competition. In the city meet they swam to a 4th place finish; this without Co-captain Bill Stubstad who was ill. Co-captain Bayer, Nelson, Rosenblum, and Benson together captured 1st place in the free-style relay and each placed in their individual events.

TENNIS AND GOLF

TENNIS

Row 1: Dick Benson, Stuart Snyder, Mr. Jorgenson, Coach; Murray Appelbaum, Eppy Gutzmann.
Row 2: Stan Calof, Sherm Rosenblum, Paul Bjorkman.

TENNIS 1951-52

Marshall's "Tennis-hounds" of 1951-52 turned in one of the finest records of any of our athletic aggregations. The team, sparked by Stan Calof, Ep Gutzmann, and Murray Appelbaum and aided by up-and-coming newcomers Sherm Rosenblum and Stu Snyder, posted a fine 5-win 3-loss conference record. Calof, playing singles, and Gutzmann and Appelbaum, playing doubles, reached the semi-finals of the City tournament. With only Paul Bjorkman graduating, Marshall can look forward to another fine—if not perfect—tennis season in 1953.

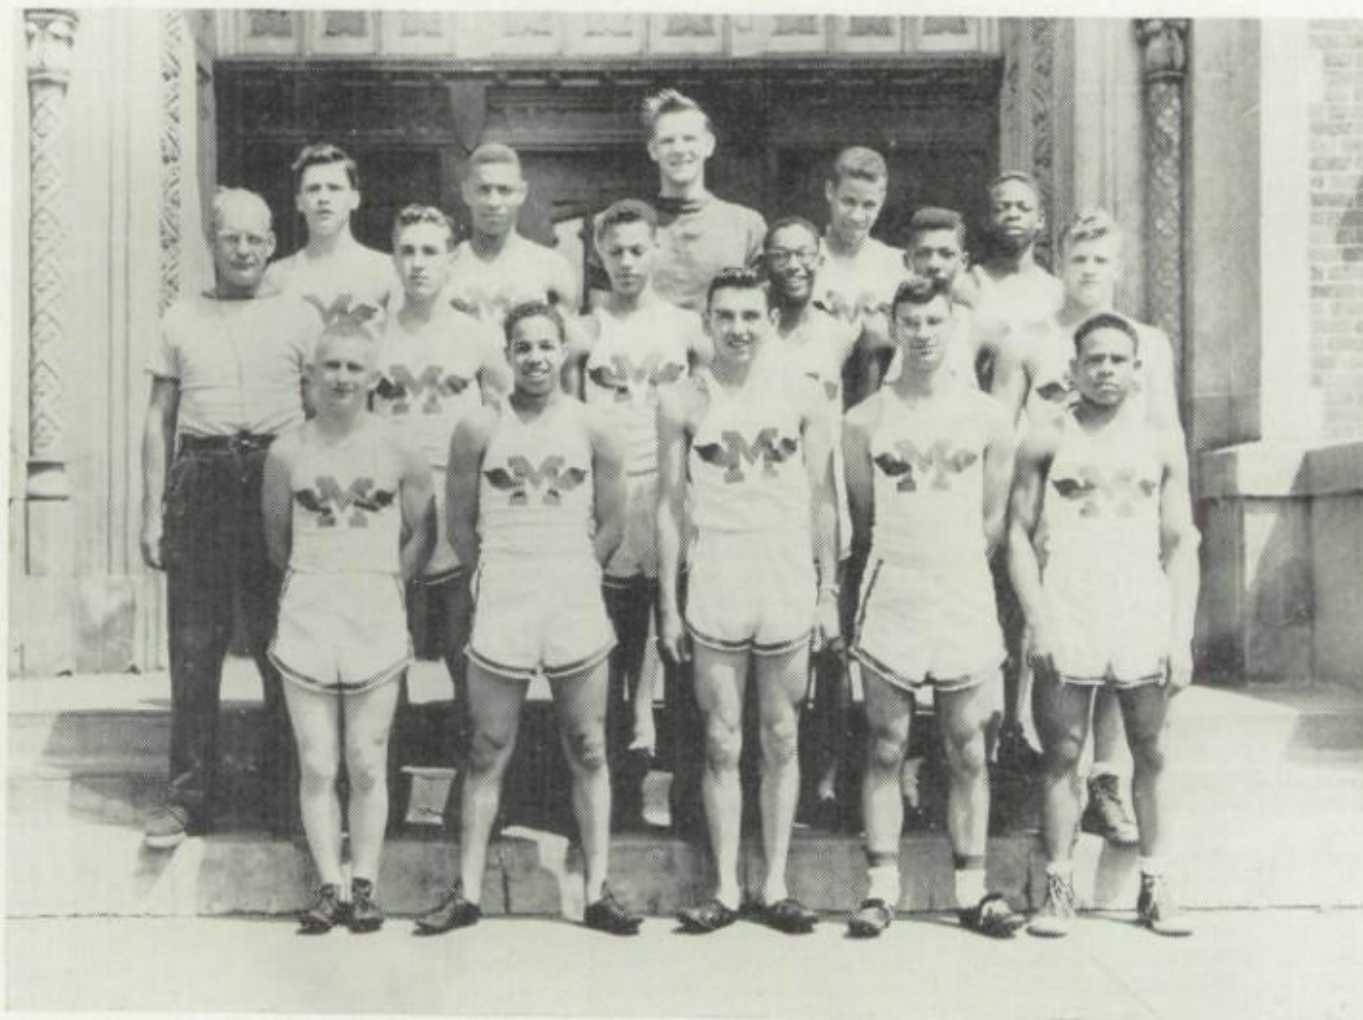

GOLF

Tom Bayer, Alex Kadrie, Mr. Hanner, Coach; Robert Mayer, Lloyd Clasen, Bob Ducusin.

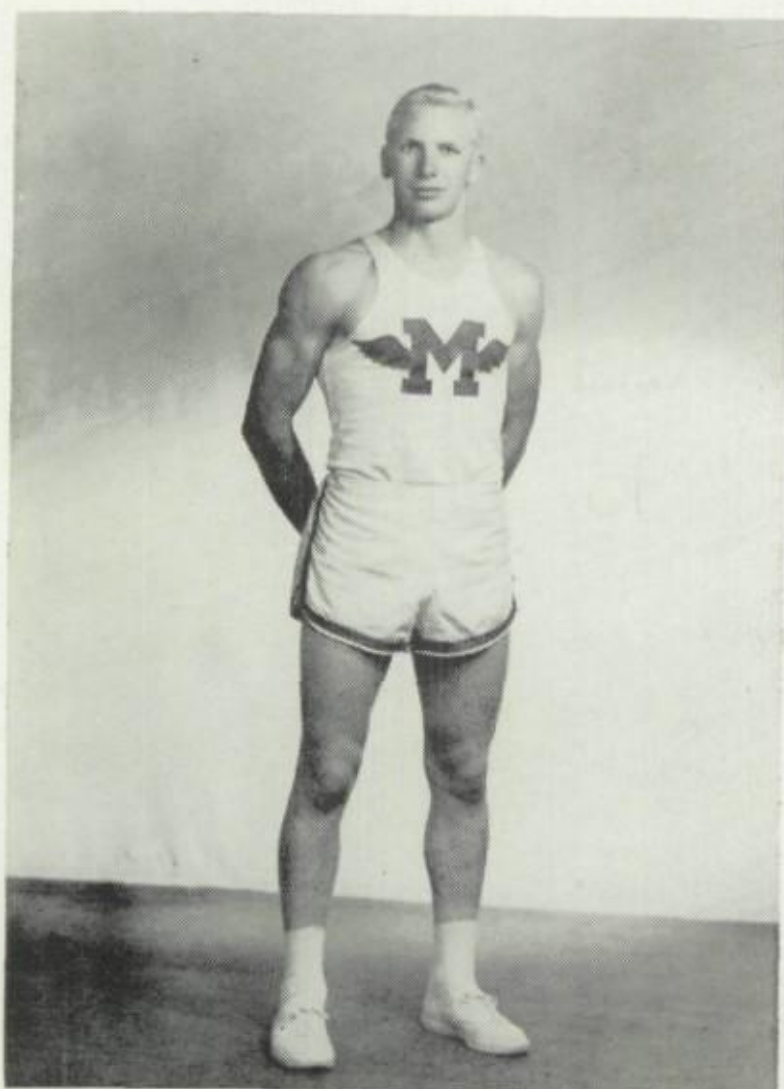

GOLF 1951-52

Marshall's "par-busters" of 1951-52 didn't quite live up to that nick-name as youth and inexperience took its toll, leaving the team swinging on the 6th place rung of the conference ladder. With almost the whole team back again, with a year of experience, they might start climbing that ladder to success.

TRACK—SENIOR VARSITY

Row 1: Jerome Dalnes, Myron Barnett, Bill Stubstad, Chet Vorspan, Floyd Brown.
 Row 2: Mr. Hamann, Don Glaser, Maurice Hickman, Earl Neil, Harold Salter, Jack Payette.
 Row 3: Warren Nelson, Dick Blakley, Jerry Dreier, John Allen, Sylvester Neal.

Dave Rogers

TRACK 1952

Once again Coach Ken Hamann turned out a super-charged track team. Marshall's Mercury Men of 1952 took almost every honor except the team title which went to a deserving Murray High School team. Dave Rogers vaulted to the highest laurels by taking first place in the State pole-vault championship.

In the City meet, Marshall's super-jet, Dick Blakley, ran away from the field in both the 100 and 220-yard dashes. Dick also contributed a fine second place finish in the broad-jump. Earlier in the year he distinguished himself by winning the State Indoor 60-yard dash championship.

Another of Marshall's aces, Don Glaser, came home with a second place finish in the mile run. Other point winners were:

Jerry Dreier—fourth in high jump, fourth in shotput, and fifth in high hurdles.

Blakley, Walczak, Martin, Jones, and Hickman—second in the half-mile relay.

Rogers—first in pole vault—second in discus.

Despite losing Champ Rogers, Marshall's track hopes may reach an all-time high next year.

HOCKEY AND BASEBALL

HOCKEY

Ken Hamann's 1952-53 edition of Marshall hockey couldn't quite put together enough good hockey to manage a single victory. The team, despite the great goal tending of All-City Jack McCartan, could only salvage one tie and finished in last place in the conference.

Back Row: Mr. Hamann, Coach; Tom Nitti, Ron Saba, Tom Winters, Jack McCartan, Fred Haas, Ron Donovan, Burt Dahlquist, Don Meyer, John Rademacker.
Front Row: Dick McCartan, Wayne Nitti, Don Kennedy, Bob Callan.

BASEBALL

Row 1: Ronald Martin, Burt Dahlquist, Don Weller, Sherman Goldberg, Don Kennedy.
Row 2: Rollie Moynagh, Coach; Earl Goldberg, Ronald Donovan, Fred Haas, Gary Christiansen, Tom Nitti.
Row 3: Jim Pardello, John Furey, Jack McCartan, Jim Lee.

BASEBALL

The 1951-52 Marshall baseball team with Rollie Moynagh at the helm finished with a 2-win 7-loss record in conference play. The team was erratic; at times looking like the best in the city, and at other times looking like the worst.

Coach Moynagh looks forward to next season which will see all but two starters back. Moynagh points to the fact that he will have three of the top hitters in the city: Jack McCartan, Earl Goldberg, and Gary Christiansen.

CROSS COUNTRY AND JUNIOR VARSITY TRACK

CROSS COUNTRY

Row 1: Earl Neil, Bill Stubstad, Don Anderson, Coach Ken Hamann.

Row 2: Marshall Burke, Bob Jones, James Dixon, Donald Doty.

Row 3: John Everson, Norman LaGrone, Don Glaser.

CROSS-COUNTRY 1952-53

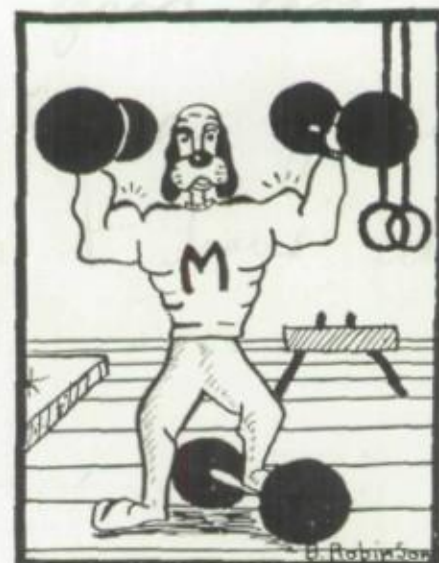

Again sparked by fleet-footed Don Glaser, Marshall's long-distance men trotted to a second place finish in the city cross country meet. The boys trained hard all year outside of school, and it paid off with a perfect five-for-five dual meet record.

JUNIOR VARSITY TRACK

Row 1: Coach Ken Hamann, Danny O'Neil, Donald Doty, James Dixon.

Row 2: Duncan Henderson, Tom Carrol, Rodger Richard.

Row 3: Joe Gruber, Richard Hinze, Johnny Adams, Art Blakey.
